

## Scientific Board

Prof. Rudolf Michałek  
Prof. Andrzej Myczko  
Assist. Prof. J. Lech Jugowar  
Prof. Waław Romaniuk  
Prof. Aleksander Szeptycki  
Prof. Aleksander Brzóstowicz  
Prof. Stanisław Stężala  
Assist. Prof. Andrzej Grieger  
Prof. Stanisław Winnicki  
Prof. Józef Szlachta  
Prof. Marian Wiercioch  
Prof. Grzegorz Fiedorowicz  
Prof. Nikoław Morozov  
Prof. Vasilij Sysujev  
Prof. Petr Savinykh  
Prof. Vladimir Perednja  
Prof. Bronius Kavolelis  
Prof. Juris Priekulis

## Organization Committee

Prof. Waław Romaniuk – president  
Prof. Andrzej Myczko – Director of IBMER  
Assist.Prof. J. Lech Jugowar – Deputy Director, IBMER  
Dr. Piotr Pasyniuk – IBMER  
MSc. Sławomir Iwanicki – IBMER  
Dr. Andrzej Seliga – IBMER  
MSc. Małgorzata Łukaszuk –IBMER  
MSc. Tadeusz Domasiewicz – IBMER  
Lic. Edyta Iwanowska – IBMER  
MSc. Andrzej Głaszczka - IBMER  
MSc. Witold Wardal – IBMER  
MSc. Bogdan Łochowski – IBMER  
Dr. Andrzej Karbowy – ZUT Szczecin

The Conference will be held on 22-23 of September, 2009. Beginning at 10<sup>00</sup> o'clock in the conference room no. 103 at IBMER, Warsaw, Rakowiecka str.32

## Principal scientific topics of the Conference:

- technological processes in animal production with the maintenance of animal welfare,
- determination of the future works concerning adaptation of technological standards in animal husbandry and the elements of infrastructure to the EU requirements and environment protection,
- development of the technologies ensuring proper conditions for the animals as well as the work safety for operating personnel,
- improvement of the livestock buildings as an element of infrastructure in modern development for rural area,
- gaining the biogas from natural manure and crop production.

The conference fee is PLN **400 + VAT (22%)** and covers the costs of board (from breakfast 22 Sept., 2009), conference materials (including the publication of Participants' papers – up to 4 pages), as well as the complementary materials concerning livestock raising standards on CD and the two films: "Technological standards in cattle raising" and "Technological standards in pig raising".

After the conference, the qualified papers may be published in periodical "Problems of Agricultural Engineering" (4 points according to the Ministry of Science and Higher Education), in accordance to the instructions of editorial board.

### Important fixed dates:

- notification of participating in the Conference and the payment of conference fee – **until 30 June, 2009;**
- forwarding the papers to be presented – **until 30 June, 2009.**

### The conference fee should be paid into account:

**BGŻ S.A. I Branch in Warsaw**  
**No: 03 2030 0045 1110 0000 0029 2700**

with the note: "ZSZ Conference" and the name of Participant paying the conference fee.

### Persons interested are kindly requested to address the correspondence (notifications) as follows:

Instytut Budownictwa, Mechanizacji i Elektryfikacji Rolnictwa,  
Zakład Standaryzacji Technik Utrzymania Zwierząt  
02-532 Warszawa, ul. Rakowiecka 32, Poland

## The 15th International Scientific Conference

on „Problems of animal production intensification with regard to environment protection and the EU standards”

22-23 September, 2009

## Notification of participation

First name:.....

Name:.....

Scientific title or degree:.....

Institution (name, address) .....

.....

.....

.....

I am a VAT payer, NIP number.....

I authorize the Institute (IBMER) to making out

the VAT invoice, without our signature.

Address to correspondence:.....

Street:.....

Post code, locality:.....

Phone number:.....

Fax number:.....

E-mail:.....

I submit the paper (title):.....

.....

.....

.....

.....

.....

.....

....., date .....

Signature.....

We are asking for the hotel reservation  
on 21/22 and 22/23 September, 2009

Single room  
yes/no

double room  
yes/no

.....  
Principal Accountant

.....  
Director

.....  
Place, date

## INSTRUCTION FOR PREPARING THE PAPER – ARTICLE TEXT

The papers qualified to printing, after reviewing, will be published in the Materials of 15th International Scientific Conference on “Problems of animal production intensification with regard to environment protection and the EU standards”.

### REQUIREMENTS:

- Material should be inserted into maximum 4 pages of size A4,
- Text should be written with 12 point type of Times New Roman at single space between the lines. MS Word is requested as text editor,
- All the margins should be 25 mm. Size and form of the figures, diagrams, tables, drawings etc have to be black-and-white and legible,
- Material should be sent by e-mail in form of an enclosure and addressed: [iwanow@ibmer.waw.pl](mailto:iwanow@ibmer.waw.pl)

### ARTICLE OUGHT TO CONTAIN:

- Author's first name and name, name of the institution, locality – put into left top corner of the sheet, small letters; next the double line space,
- Title of the paper (in the middle of sheet), capital letters, bold-faced type; next the space of 1,5 line,
- Inscription – “Streszczenie” (**Summary**) in Polish language, in the middle of sheet, small letters (lower case), bold-faced type; the volume of Polish summary up to 12 lines; next the single space,
- Titles of the chapters should be printed with capital letters, from the left margin,
- Inscriptions – BIBLIOGRAPHY – ought to be printed from the left margin; bibliographical positions according to the following pattern: Kowalski W. 2004. Instruction for lecture elaboration. Organization of the Conference, 9 (20), pp. 49-58,
- English summary, up to 1 A4 sheet volume; title of the paper in English by bold-faced capital letters, in the middle of the sheet; author's name – small letters, in the middle of the sheet; inscription – **Summary** – small, bold-faced letters, in the middle of the sheet.

INSTITUTE FOR BUILDING,  
MECHANIZATION AND  
ELECTRIFICATION OF AGRICULTURE  
Poland, 02-532 Warszawa,  
Rakowiecka str 32  
[www.ibmer.waw.pl](http://www.ibmer.waw.pl)

DIRECTOR OF THE INSTITUTE  
AND THE DEPARTMENT OF ANIMAL RAISING  
TECHNIQUES STANDARDIZATION

are pleased to invite

to 15 th INTERNATIONAL SCIENTIFIC CONFERENCE

on “Problems of animal production intensification  
with regard to environment protection  
and the EU standards”

22 – 23 September, 2009

### COOPERATING UNITS:

- The Institute of Agricultural Engineering ZUT Szczecin
- “Agrorisks” Scientific Network and “Tragen” Centre of Excellence
- Polish Society of Agricultural Engineering
- Social Insurance Fund in Agriculture (KRUS)
